TEXAS 4-H YOUTH DEVELOPMENT FOUNDATION SCHOLARSHIP PROGRAM POLICIES

In order to accept and maintain a Texas 4-H Scholarship, each scholar is required to provide documentation and information to the Texas 4-H Youth Development Foundation (hereinafter referred to as “Foundation”) and their donor at the conclusion of the fall and spring semesters. Please read this section with the utmost care and attention to ensure that the status of your scholarship will not be jeopardized.

1 GENERAL POLICIES

1.1 ENROLLMENT REQUIREMENTS
For the duration of the scholarship, the scholar must enroll in and pass a minimum of 12 credit hours each fall and spring semester at an accredited Texas college or university. Failure to maintain the minimum hours will result in probation (see section 3.2).

1.2 ACADEMIC REQUIREMENTS
Scholars must maintain a minimum grade point average (GPA) of 2.0 on a 4.0 scale each semester. However, if you are a recipient of the Volunteer Leaders Association of Texas scholarship, you must maintain a minimum 2.7 GPA on a 4.0 scale. Scholars cannot substitute grades from previous semesters with new grades for the same course. Failure to maintain the minimum GPA will result in probation (see section 3.2).

1.3 SCHOLARSHIP RESTRICTIONS
All 4-H Scholarships can be organized into 4 main categories. Below are these categories which have specific restrictions for the scholars:

- Baccalaureate - Scholars must maintain a major that will lead to the attainment of a bachelor’s degree at an accredited Texas college or university throughout the duration of the scholarship.
- Technical - Scholars must maintain a field of study that will lead to the attainment of a technical degree or a certification at an accredited Texas college or university throughout the duration of the scholarship. Scholarships can be used for the attainment of an associate degree.
- Collegiate - Scholars must maintain a major that will lead to the attainment of a bachelor’s degree at an accredited Texas college or university throughout the duration of the scholarship.
- Courageous Heart - Scholars must maintain a major that will lead to the attainment of a bachelor’s degree, associate degree, or technical certification at an accredited Texas college or university throughout the duration of the scholarship.

Depending on the scholarship awarded, there may be additional restrictions for scholars regarding university/college and/or degree choice. Please see Appendix A to determine if your scholarship has additional restrictions. Failure to comply with university/college and/or degree restrictions will result in forfeiture of scholarship (see section 3.4). Any changes in university/college and/or degree must be reported to the Foundation via 4-H CONNECT using the Special Request Form seen in Appendix B by the appropriate reporting deadline.

1.4 COMMUNITY OR JUNIOR COLLEGE
Enrollment in a community or junior college is permissible for scholars awarded a 4-year scholarship. Scholars must enroll in courses consistent with the pursuit of a 4 year degree. Enrollment is limited to four semesters after which the scholar must transfer to a 4-year institution.

2 REPORTING POLICIES

2.1 4-H CONNECT PROFILE
Each scholar is required to setup and maintain a current profile on the Texas 4-H Youth Development 4-H CONNECT System as a “4-H SCHOLAR”. DO NOT setup multiples profiles. The same profile will be used each semester. A step by step guide for 4-H CONNECT can be found in Appendix C. This online profile will also be
where scholars will upload all necessary reporting documents (copies of transcripts, donor correspondence, schedules, etc.). **ALL DOCUMENTS MUST BE IN PDF FORMAT.** Any items uploaded in a non-pdf format will be rejected. A schedule outlining the reporting deadlines can be found in Appendix D. Failure to provide this documentation or maintain your profile by the stated deadlines may result in payment penalties, probation, and/or forfeiture of the scholarship (see sections 3.2, 3.3 & 3.4).

2.2 CONTACT WITH DONORS

Scholars are required to correspond with donor(s) through a Progress Letter at least 2 times per year (see Appendix D for schedule). A copy of this correspondence must also be provided to the Foundation via 4-H CONNECT. A list of donors, along with their mailing addresses, can be found in Appendix E. Failure to meet this requirement may result in payment penalties, probation, and/or forfeiture of the scholarship (see sections 3.2, 3.3 & 3.4).

Progress Letters should include the following information:

- Year the scholarship was awarded
- School the scholar is attending
- Scholar’s classification
- Highlights and/or challenges of the most recent school semester
- Personal highlights or successes
- Any career goals or plans (for junior and senior college students)

Upon receipt of final payment, the scholar is asked to send a final thank you letter to their donor.

A scholar should **NOT** contact their donor concerning issues regarding scholarship payments or distributions. The Foundation is the scholar’s ONLY point of contact for ALL questions and concerns regarding scholarships.

2.3 TRANSCRIPTS

Scholars must provide the Foundation with copies of their grades each semester, and also upon conclusion of the final semester of payment, in accordance with the following requirements:

- **Fall and Summer Semesters** - Grades must be uploaded into 4-H CONNECT in the form of an “unofficial transcript.” It is acceptable for the transcript to be downloaded from an institution’s online grade system. The transcript must include the scholar’s name and UIN.

- **Spring Semesters** - Grades must be uploaded into 4-H CONNECT in the form of an “unofficial transcript.” It is acceptable for the transcript to be downloaded from an institution’s online grade system. The transcript must include the scholar’s name and/or UIN. In addition, an OFFICIAL transcript must be sent to the Foundation. The transcript can either be mailed (postmarked on or before the deadline) in an unopened and stamp sealed envelope by the institution or an e-transcript can be emailed directly to 4hscholarships@ag.tamu.edu from the institution. It is your responsibility to ensure the transcript is received by the Foundation. We advise that you keep a copy of your request to the college or university showing the date of submission.

The Foundation reserves the right to request (and receive) an official transcript at any time. The Foundation staff is aware that on occasion final semester grades are not ready by our deadlines. **When grades are not available by the deadline, the scholar needs to upload what he or she has (progress letter, schedule, etc.) and include a note that states grades have not been posted.** In the event this occurs, your profile will be sent back to you after review and you will be asked to upload your grades and resubmit at the earliest date possible. Scholars are responsible for uploading their transcripts and grade reports to the Foundation regardless of their institution’s policy on reporting grades to a scholarship donor. Failure to meet this requirement by the the specified deadlines in Appendix D may result in payment penalties, probation, and/or forfeiture of the scholarship (see sections 3.2, 3.3 & 3.4).
2.4 CLASS SCHEDULE
A class schedule, showing registration for at least 12 credit hours, must be uploaded into 4-H CONNECT. The schedule must be from a university/college and contain the scholar’s name and UIN. Please note that a graphic schedule or “week at a glance” version will not be accepted. The Foundation must be able to verify your the number of credit hours you are enrolled in. Failure to meet this requirement by the specified deadlines in Appendix D may result in payment penalties, probation, and/or forfeiture of the scholarship (see sections 3.2, 3.3 & 3.4).

3 NON-COMPLIANCE POLICIES

3.1 DISCIPLINARY ACTION
If a scholar fails to comply with any Foundation requirements, the Foundation will take disciplinary action. Disciplinary action can include delay of payment, reduced payment, lack of payment, probation, suspension of scholarship funding, and/or forfeiture of the scholarship. If all required paperwork is not uploaded or postmarked by the deadline, payment penalties will be enforced.

- Notification of Disciplinary Action - Scholars subject to disciplinary action will be notified by certified letter that will be sent to the last permanent address on file.
- Appeal Process - Scholars may appeal disciplinary action by submitting a letter to the Foundation Scholarship Committee requesting a review of probationary status.

Appeals should be submitted to the Foundation via email (4hscholarships@ag.tamu.edu) by the appeal date stated in the notification of disciplinary action. An appeal should be a formal letter written to the Scholarship Committee explaining the situation and any other relevant information that a scholar believes should be considered. You may also submit documentation to support your appeal such as a note from a physician to support an appeal for medical reasons. Please note that appeals are only granted for extenuating circumstances.

3.2 PROBATION
A scholar will be placed on scholastic probation if he/she does not maintain the required semester grade point average, does not maintain a minimum of 12 semester hours, and/or fails to report to the Foundation by the deadline (see Appendix D for reporting deadlines). If placed on probation, scholars will NOT receive scholarship payments. Once the scholar is back in compliance (GPA meets the minimum criteria and scholar is enrolled in a minimum of 12 hours) the missed payment can be awarded. The payment will be added to the end of the scholarship period. In the event that the scholar will graduate before the added payment can be utilized, they will be allowed to request double payment for their final semester (see section 4.5).

The number of probationary periods allotted is dependent on the associated disbursement schedule. For scholarships that are paid out in 4 payments or less, only ONE probationary period will allowed. If the scholar is placed on probation for a second time, the scholarship will automatically be forfeited (see section 3.4). For scholarships that are paid out in 6 or more payments, TWO probationary periods will be allowed. If the scholar is placed on probation for a third time, the scholarship will automatically be forfeited (see section 3.4). Please see Appendix F for scholarship disbursement schedules.

The Foundation does not acknowledge Q-drops or Freshman Grade Exclusions. Not all colleges and universities allow such grade exclusions. The Foundation will recalculate the GPA/GPR to include excluded grades. Q-dropping and grade exclusions can cause the scholar to drop below the required 12 credit hours, resulting in probation.

3.3 LATE REPORTING
Scholars are required to be punctual with the submission of all required information. It is the responsibility of the scholar to upload all information to 4-H CONNECT, or to contact the Foundation prior to the deadline. For those who do not meet the reporting deadlines, a penalty to the next semester’s payment will be applied. See Appendix D for reporting deadlines.
The penalty schedule is as follows:

- 1st offense - $100 deducted from scholarship payment
- 2nd offense - $200 deducted from scholarship payment
- 3rd offense - Scholarship will be forfeited

3.4 FORFEITURE OF SCHOLARSHIP
Scholars who fail to comply with any scholarship policy or restrictions will be subject to forfeiture of the scholarship. The Foundation reserves all rights under this policy, and all criminal remedies, for any serious ethical violations, including the falsification of educational or eligibility information. All disciplinary decisions will follow the guidelines (see section 3.1).

3.5 HOLD STATUS:
A hold may be granted upon a scholar’s request. Such actions are decided on a case-by-case basis by the Foundation. Any request must be submitted via 4-H CONNECT using the Special Request Form by the appropriate semester deadline (see Appendix B). Scholarship funds will not be held for more than one year (two semesters).

4 SCHOLARSHIP DISBURSEMENTS

4.1 DISBURSEMENT OF FUNDS
Scholarship funds are sent directly to the Financial Aid Office of the college/university and will not be disbursed directly to scholars for any reason. It is the sole responsibility of the scholar to inform the Foundation of any changes in the college/university attendance. If scholarship funds are returned by the institution (for non-enrollment, etc.), the scholar will be placed on hold and future scholarship funds will not be disbursed until the scholar gains the approval of the Foundation. A table showing the number of payments for each scholarship and the amount disbursed each semester can be found in Appendix F. Upon receipt of final payment, the scholar is to send an official transcript to the Foundation and a final thank you letter to their donor.

4.2 DUAL-ENROLLMENT
Scholars who intend to enroll at more than one institution for a semester (“dual-enrollment”) must notify the Foundation via the additional information section at the bottom of the report in 4-H CONNECT. However, scholarship funds will only be sent to one institution each semester. If you prefer funds to go to one school over the other please specify in this section as well.

4.3 DISBURSEMENT TIME PERIOD
Payments will be mailed to each scholar’s college/university prior to the beginning of the semester if all required information has been received by the Foundation. If required information is not received, the college/university will not receive payment. Payments are typically mailed to the scholar’s college/university during the following time frames.

- Fall Semester - August
- Spring Semester - January
- Summer Semester - June (IF APPROVED)

Scholarship payments are sent to the college/university with instructions that they be applied to the scholar’s account. The Foundation disburses scholarship funds to the college/university and does NOT control posting or disbursement of scholarship funds by the institution to the scholar’s account.

4.4 SPECIAL CIRCUMSTANCES
The Foundation understands that there will be special circumstances during the scholar’s coursework and strives to accommodate the scholar when possible. Below are some of the special circumstances and policies regarding these scenarios. Any request must be submitted via 4-H CONNECT using the Special Request Form seen in
Appendix B by the appropriate reporting deadline. If the scholar encounters something they feel falls outside the policies provided in this handbook they are encouraged to contact the Foundation for guidance.

- **Summer Semesters** - Scholars may request scholarship funds for summer semesters. If the scholar is enrolled in 9 or more hours, a full payment will be made to the college/university and the payment will be counted against the total number of allotted payments. If the scholar is enrolled in less than 9 hours, only half a payment will be made to the college/university and the remaining half will be applied to the last eligible semester. Requests must be made by the spring reporting deadline. See Appendix D for reporting deadlines. Upon approval, payment will be sent to the college/university.

- **Interim (Mini-semester) Semesters**: Scholarship funds will NOT be provided for such semester sessions.

- **Post-Baccalaureate**: Scholars who complete their undergraduate course of study and have scholarship funds remaining may be eligible to use these funds for post-Baccalaureate studies, graduate school, or a professional degree program (medical school, law school, veterinary medicine, etc.), provided that the scholar is still eligible and the institution is accredited and within the state of Texas. Scholars have one calendar year from the time of completion of their undergraduate course of study and/or enrollment in another program to utilize any remaining scholarship funds. These requests are reviewed on a case-by-case basis and must be approved by the donor. If not utilized, the remaining funds will be forfeited.

- **Exemption from Hour Requirements** - The Foundation requires that scholars provide notice to the Foundation if they are graduating seniors, participating in a university approved internship or co-op program, or completing student teaching. These circumstances allow scholars exemption from the 12 semester hour minimum enrollment requirement. Documentation, such as a letter or email from an advisor, must be provided via your 4-H CONNECT upload for exemption from the hour requirement.

**ALL Special Requests must be submitted via your 4-H CONNECT upload using the Special Request Form (see Appendix B) by the appropriate reporting deadline. NO special requests will be accepted after the late reporting deadline. See Appendix D for reporting deadlines.**

### 4.5 UNUSED PAYMENTS/EARLY GRADUATION

If a scholar is graduating early or has an extra payment at the end of their coursework due to a probation, the scholar will be allowed to request an additional payment each semester up to one year prior to graduation (for a total of two early payments, one each semester). Documentation, such as a letter or email from an advisor, must be provided to receive double payment. Requests for double payments must be made in writing to the Foundation via your 4-H CONNECT upload by the appropriate reporting deadline (see Appendix D). You must use the Special Request Form (see Appendix B).

- “Parent Contact Information” will be used in the event any correspondence is returned using the “Scholar Contact Information”.

Step 5: Complete University/Scholarship/Academic Information

- Fill out the bolded fields in each section.
- For co-enrollment, update the "College/University Information" to reflect any changes. The college/university indicated is where payment will be mailed.

APPENDIX G - TIPS FOR SUCCESS

• **Read your handbook.**
  Many of the questions we receive are clearly outlined in the handbook. If you should lose your handbook, it is also located on our website: http://texas4hfoundation.org/what-we-do/#opportunity-scholarships

• **Contact the Foundation if needed.**
  The Texas 4-H Foundation staff is here to help you. We are available to answer questions and provide clarification.

• **Make sure you know and meet the deadlines to report.**
  The due dates are clearly stated in this handbook. Vacations are not valid excuses for late reporting, so please take care of your scholarship before you depart. If your information is not received by the deadline, you will be penalized.

• **Be patient.**
  Please understand that we have hundreds of packets of scholar information to go through and will mail checks as soon as we process all scholar paperwork.

• **Remember that this is your responsibility.**
  We prefer that all questions and concerns regarding your 4-H Scholarship come directly from you, the scholar.

• **If you graduate early you can still use your money.**
  If you graduate early, you are eligible to use the remainder on graduate school, med school, law school, vet school, etc. You must contact the Foundation to let us know that is what you plan to do. If you graduate early and do not go to graduate school, you may request a double payment up to two semesters before you graduate.

• **Keep your profile updated with current information.**
  It is your responsibility to update the Foundation with any changes to phone numbers, addresses, or emails. This is crucial since we may need to contact you about an issue with your scholarship.

• **Use our suggestions for donor letters.**
  o Type all letters to donors in a standard font on standard or professional paper.
  o Use the donor’s correct title and proper name in your salutation.
  o The letter should be about a one typed page to two typed pages in length.
  o **PROOFREAD** your letter.
  o Always include:
    ▪ Year scholarship was awarded.
    ▪ School attending.
    ▪ Classification (freshman, etc.).
  o For your initial thank you letter include:
    ▪ Follow the suggestions for all letters.
    ▪ Identify yourself as having just been awarded a scholarship.
    ▪ Tell something of your general interest, why you decided to attend your particular school, your selection of a major and your work or professional inclinations after school.
    ▪ Specifically express your appreciation for the scholarship.
  o For all progress letters:
    ▪ Follow the suggestions for all letters.
    ▪ Tell about what you have been doing the past semester. The donors want to hear about your life and your college experience. A few topics most letters include are:
      ▪ How courses are suggesting new interests?
      ▪ Why grades in a course are particularly high or low?
      ▪ Ways you have changed as a result of your experiences in college.
      ▪ What extracurricular activities you are involved in and what you do with them?
      ▪ If you are working: where at and what you do?
